NEW PRODUCT

Press Release

Spot

The micro table for all occasions, these enamel coated tables consist of a heavy weighted base with three different height stems and different shaped tops. Coated in heavy duty vitreous enamel, an ultra hygienic and industrial process in which particles of glass are sprayed on to cast iron, and then fired at furiously high temperatures. Not only are the results highly functional, the materials qualities are extremely hard wearing with an extraordinary depth of colour. The different heights; Short, Long, Medium can be interchanged as desired with either a square or circular top and black or white base. Enamel colours available are black, white and burnt red (burnt red only available as top).

Product information and prices

Short: Height 53cm, Diameter of Top 27.5cm,

Long: Height 92cm, Diameter of Top 39.5cm

Medium: Height 67cm, Square Top 30.5cm

All Bases: Diameter 14cm
