Press Release

Base Floor Light

The Base Floor Light uses an unusual combination of metals; highly polished shiny brass and traditional matt textured cast iron. These robust and honest designs mark a return to the original departure point of Tom Dixon's design career, and love of metalwork.

With its pyramid square base and impressive show of light reflected from the polished brass shade it is suitable for a variety of interior spaces contract or residential.

Also in the Base collection is the Base Table lamp, both come with cable switch.

Product information and prices

Base Floor Light: Diameter of Shade: 50cm, Width of Base: 27cm Height: 1m 60cm
