## Press Release

### Twist

A new take on the conventional fabric shade, the Twist shade offers gentle and ambient lighting with its 40cm diameter. Available as a pendant or floor/table light, the shade is made from pleated and twisted laminated cotton.

Organic lines from top to bottom twist around the shade creating a sculptural design piece. The pendant light is suspended from a thin wire whilst the floor/table light sits on a white metal ring with foot switch.

#### Product information and prices
